Notes to future ride leaders:

BOTANIC GARDEN (via views of Lake Michigan) RIDE

AT~	TURN~	GO~	ON	COMMENT	Municipal Boundary
-----	-------	-----	----	---------	--------------------

This ride could be shortened in several ways:

- Skip the Botanic Garden, shortening by about 4 miles - At mile 10.9, continue south on Forestway or the parallel trail, instead of heading north on the trail. Eat in downtown Glencoe (possibly Einsteins's) instead of in the Botanic Garden.
- Shorten by about 1 mile - At mile 16.0 go south on Forestway to willow, instead of going west on the trail parallel to Tower.

The route between Wilmette (mile 21.4) and Lincoln (mile 22.8) has varied over the years as some roads east of Ridge (Wilmette) and Green Bay get repaved and others deteriorate. In 2009 and 2010 the route avoids Isabella which has become very bumpy.
